

This notice is for Uniti Bank Mobile Banking customers.

The current Mobile Banking service will change on August 28th. The new service will have enhancements in addition to the current functionality. For your convenience, the following features have been added:

1. If desired, 'Finger Print' or 'Touch ID' can now be utilized to safely and conveniently login to Mobile Banking.
2. We have made enhancements to the check images made via Mobile Deposit.
3. Detailed information can be attached to each transaction as needed.
4. If you have accounts at a bank within Uniti Bank's Core Network List (i.e. Chase, Bank of America, Citi Bank, US Bank, PNC Bank, etc.), you can now add your other bank accounts within Uniti Bank Mobile Banking App to conveniently view all transactions within one App.
5. Plus, you will find other overall enhancements to our features.

To use the new Mobile Banking Service, on August 28th, download the Uniti Bank Mobile Banking App on your device from the App Store or Google Play. The current Mobile Banking Service will only be available until September 27th, so please download the new Mobile Banking App prior to this date.

If you have any questions contact us at 888-733-2599 or click on the 'Contact Us' button from the Uniti Bank Home Page.

Thank you.
