

How to Enroll In Online Banking

1. To begin using Online Banking, please enroll by following these instructions:
2. Please click 'Sign Up' from the Uniti Bank website homepage at www.unitibank.com.

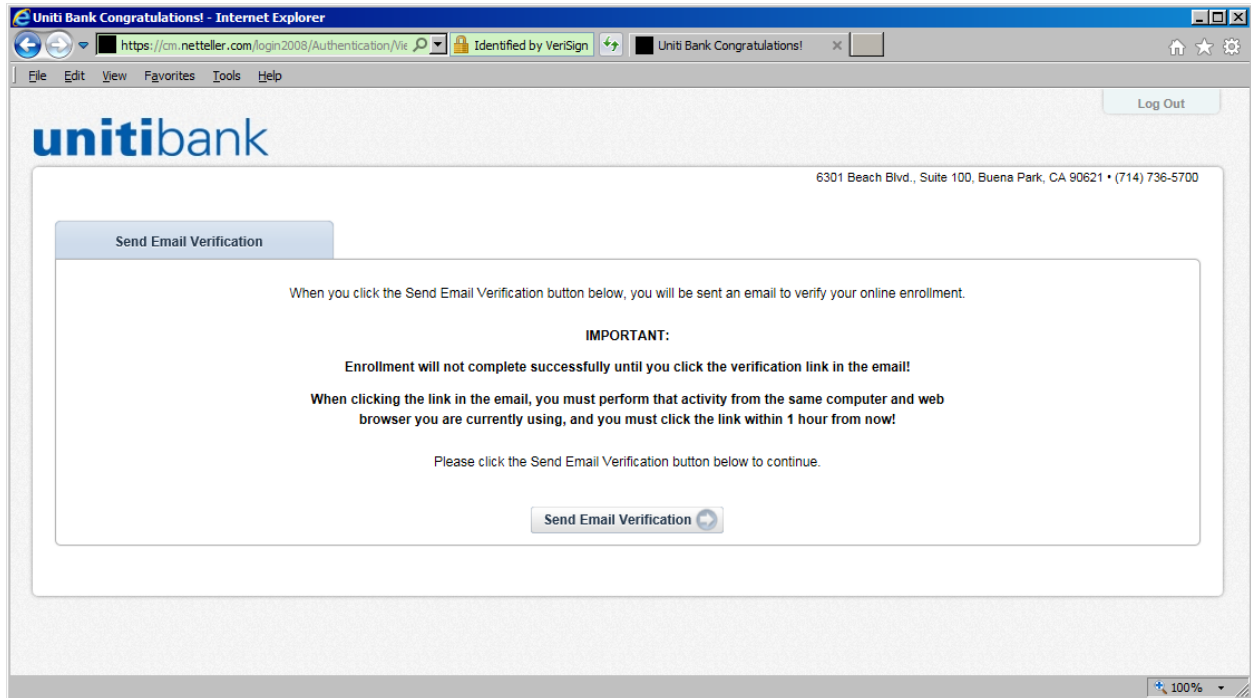

3. Read the Online Banking Service Agreement and Disclosure Statement, then click 'I Agree' to continue.

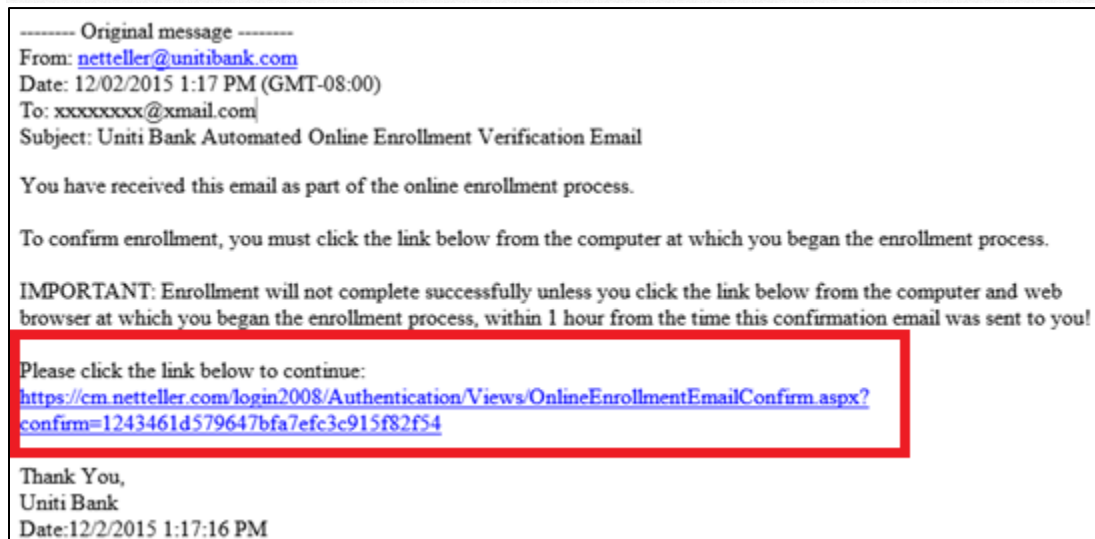

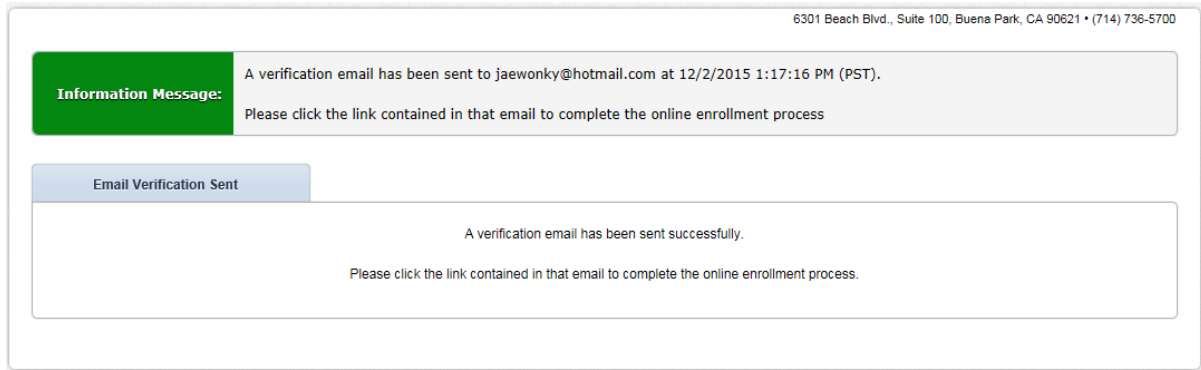

- Please verify your information. First, select Retail for Personal Accounts and Business for Business Accounts. Then verify your information by inputting the information you provided when opening your account.

- Enter personal information as provided when opening your account.

- 6. For security purposes, our system will prompt to send you a verification email. Click 'Send Email Verification' to continue.

- 7. An email will be sent with a confirmation link. You MUST click the link from the computer you began enrollment.

8. You will receive your temporary Online Banking ID. Click 'Login' to continue.

9. Click 'I Agree' and 'Accept' to accept the Online Agreement.

10. Create your Online Banking ID and set your Online Banking Password (Please use the 4-digit pin described in #8 above as "your current Password").

11. Select a watermark and click 'Submit' to continue.

?
Selecting a Watermark

1. Find a desired watermark image by selecting Prev or Next to view image options. 2. Select your desired image. The image will appear under the Current Image portion of the screen. 3. Select Finished to proceed.
